1989-90

Marine City High School
1085 Ward Street
Marine City, Mi. 48039

Marine City Ward-Cottrell High School was built in 1961 by Reb Construction. At the time of the dedication, on September 10, 1961, the school covered a total of 77,500 square feet.

Edward J. Trudell was the first principal at M.C.H.S. Three of the original staff members still teach at the school. Mr. Donald Chamberlain teaches Government, Ms. Sondra Cawrse teaches Typing, and Ms. Kathryn Kimmet in guidance have helped shape the school into what it is today.

Many changes have been made in the layout of the school. The most important one, of course, is the addition of the cafeteria and junior high in 1974. Additional renovations include the building of the north wing and continuous repairs in classrooms and hallways. The most recent addition is the ninth grade moving into the high school. This has caused alot of confusion around the halls. Also, six new portables have been added to M.C.H.S.'s class facilities.

With the continued excellence of the teaching staff and the help of Alumni, graduating seniors and underclassmen, the fine reputation of M.C.H.S. will continue throughout the years.

SPORTIN' SOME SPIRIT!

Ready . . . set . . . GO! The Mariner Team prepares for a hopeful touchdown.

The toga spirit continues! Jennifer Figgs and Shannon Dunn carry on the senior tradition.

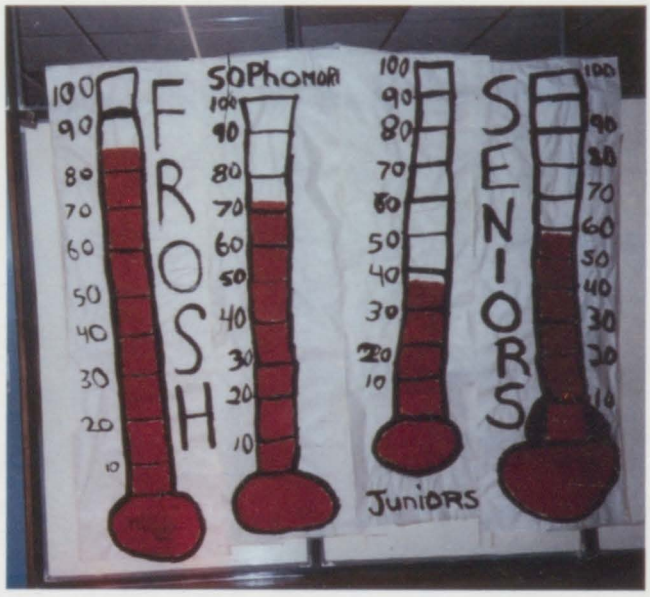

Spirit Week was full of excitement. Held October 3-6, the cool weather didn't slow the showing of school spirit or the hot football team, which blasted St. Clair, 41-13.

Although the freshmen won the activities during the week, the seniors dominated the pep assembly and fought to an exciting win as they were triumphant over the underclassmen.

Tuesday was designated as Batman Day, with movie paraphernalia all over the halls. Do-rags were the popular attire on Wednesday, which was Sweatshirt and Banshee Day. On Thursday, seniors were seen in togas, and underclassmen wore hats and sunglasses. By far, the most popular day was Friday, as the whole school showed their spirit by wearing orange and black.

Throughout the week, the halls were filled with excitement and enthusiasm. Judging from the showing of spirit from underclassmen, the week should be a success in the future.

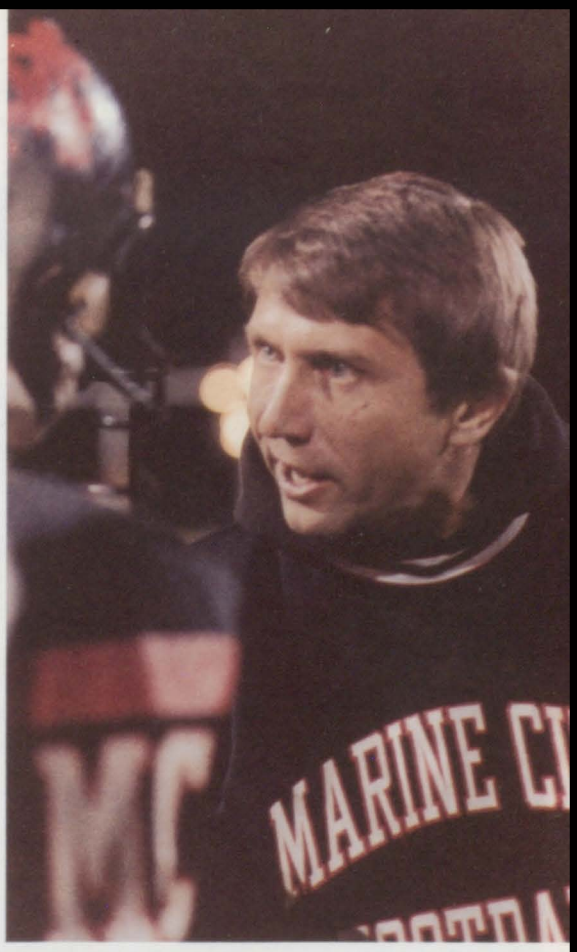

ABOVE: The temperature keeps climbing as each class shows their MCHS spirit! RIGHT: Foul play? The referees argue about a play during the game.

Intense action was evident throughout the entire Homecoming game between St. Clair and Marine City. The Mariner team defeated them with . . . P-P-P-P-P-Pizazz!

1989-90 HOME COMING COURT

TOP LEFT: Junior Prince and Princess, Dave Walker and Angie Romano.
MIDDLE LEFT: Freshman Prince and Princess, John Orchard and Dayle Achatz.
BOTTOM LEFT: Sophomore Prince and Princess, Jeff Krause and Irene Dandron.

One of the greatest honors at Marine City High School is to be chosen by your peers to represent your class on the Homecoming Court.

One couple is chosen from each of the freshman and sophomore class, while juniors and seniors have the privilege of choosing two couples each. The king and queen are chosen from the senior class also.

The representatives are introduced at the Homecoming Assembly, and during halftime at the game, the couples make the long walk across the football field as they are welcomed tremendously by the crowd.

The students on the court are very proud that their fellow classmates respect them enough to vote for them. It is definitely something they will remember forever.

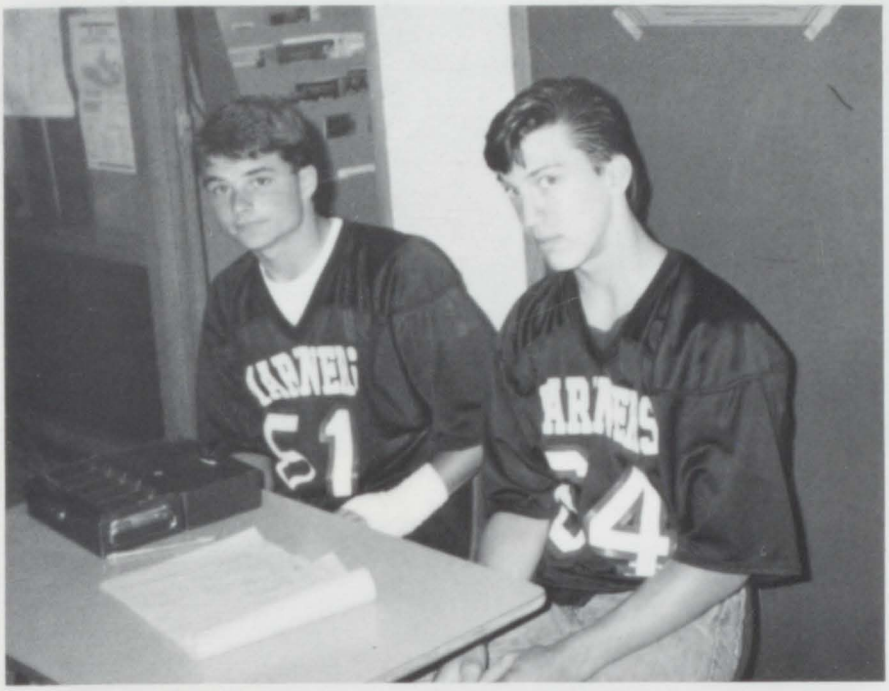

ABOVE: For students, football games are always worth talking about. Discussing the upcoming game are Steve Fosgard, Jim DeSnyder, Ryan Pettinger and Benjie Kaufman.

The Homecoming Dance is one of the events many people look forward to when returning to school.

The 1989 Dance had a great turnout of about 150 couples. This year it consisted of 9th through 12th graders.

Homecoming Dances are remembered not only for the Dance itself, but also for ordering your date's boutonniere or that special corsage for your Homecoming sweetheart, finding the "perfect" dress, getting ready, being nervous, taking pictures, going out to dinner and after dance events.

The night doesn't end after the Dance. Couples do many things to finish the evening, such as going to parties, the show, bowling, or they may just cruise! Whatever the result, Homecoming is a memorable event for all.

BELOW: The first year of Homecoming competition for the freshmen proves that they have true Mariner Spirit.

When word gets out that there's going to be a pep assembly, the news travels fast. The Homecoming Assembly is one of the most exciting events of the year. It includes the crowning of the King and Queen and their court. This year's King and Queen were Rob Wesley and Lesley Winzer. The cheerleaders take advantage of this opportunity of having the entire student body assembled — they get to demonstrate their skills and cheers which help to pump up the students for the upcoming game. This year's Homecoming Game was easily won by the Mariners. Along with showing their spirit, the students also took part in games which rival class against class. This year's games included the pie-eating contest in which Bart DeBacker easily consumed his pie to give the seniors a few extra points. The seniors also pulled their way to a victory in the tug-of-war. The juniors dominated the orange pass and three-legged race. Jim Anson did a fine job of leading the U-Rah-Rah cheer, but the all-time favorite cheer is the one which tests each classes' school spirit by asking them to cheer the loudest for their class. This years' Homecoming Assembly had an excellent show of school spirit.

Members of this year's SADD Chapter: FRONT ROW: Lisa Langell, Angie Schantz, April Mullins, Christina Blair, Jennifer Kammer, Lauren Gold, Jill Cvengros. BACK ROW: Jennifer Nelson, Michelle Burgett, Tom Ticknor, Marie LaVere, Michelle Copp, Melissa Wuchte.

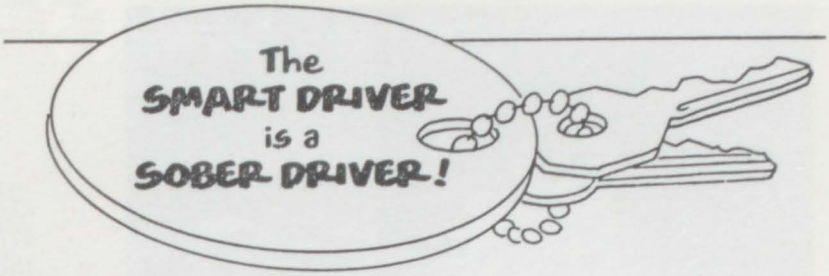

"We're SADD, not stupid"

This year's SADD (Students Against Driving Drunk) Chapter is trying it's hardest to spread the message throughout the entire school — please don't drink and drive! "This year's Chapter has been our most involved and active group. Hopefully, we can build on their foundation" says group advisor Mr. David Scheel. Some of the activities planned for this year were very successful. The 'Tie One On' campaign in which students were encouraged to tie a red ribbon on their car antenna to ledge their commitment to staying sober while behind the wheel of a car during the holidays. The students also became active in the community by participating in the DARE Program with the Michigan State Police and Sponsoring a float in the annual Christmas parade. Another White-Out Day in which selected students were fictionally "killed" in a drinking and driving accident during the school day was held, and it made a gigantic impact on the thoughts of the student body before Prom. Members also took part in county-wide meetings of SADD Chapters bi-monthly, and these meetings were very helpful in gathering ideas for projects. The size of the group increased significantly due to the freshmen and sophomore's involvement, and this was greatly appreciated by veteran members who will be leaving this year and were looking for someone to carry on their fine job of promoting the ideals and values SADD stands for. In the future, perhaps more people will become involved in the group and will understand the importance of driving sober — both to protect themselves and anyone else they may encounter.

ABOVE: This year's SADD Officers: President, Sheryl Czerwinski, Treasurer, Jennifer Nelson, Secretary, Tonya Furtah, and Vice President, Shannon Dunn.

Drinking or using other drugs and driving is **EXTREMELY DANGEROUS!**

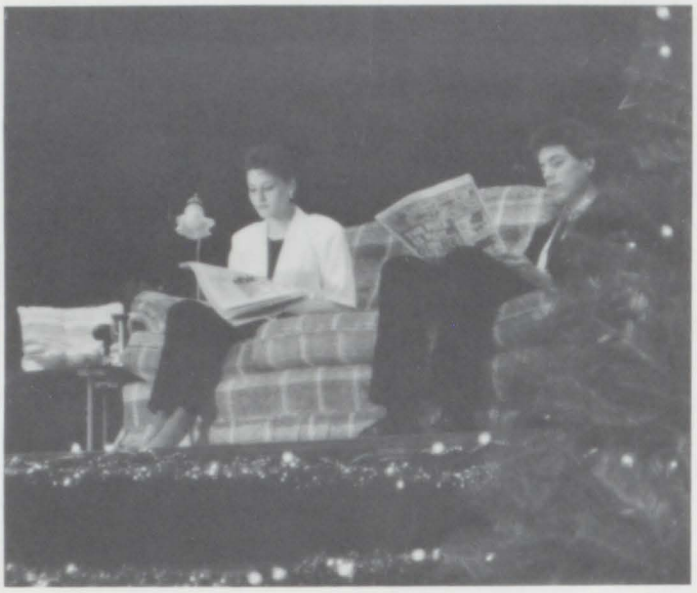

Nationwide, hundreds of lives could be saved every week if people didn't drink and drive.

As we can see here, SADD has many forms of advertisement they use to help drinking and driving fatalities. Still, millions of people die each year in alcohol-related accidents. Please. DON'T DRINK AND DRIVE!

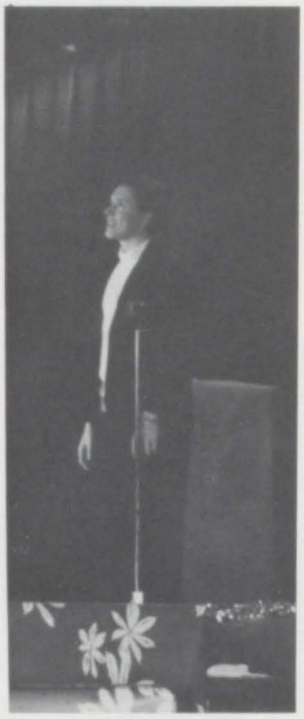

LEFT: In the opening scenes of the play, Meliessa White and Carl Holmblad discuss what to do about the "problem" — Mrs. Armstrong is in the hospital!
BELOW LEFT: Playing the stodgy Mrs. Armstrong, complete with bathrobe and wheelchair, is Sheryl Czerwinski.
BELOW MIDDLE: Meliessa White (Mrs. Bradley), Carl Holmblad (Mr. Bradley), and Jill Kowalski (Beth Bradley) prepare for the Christmas Pagent.
BELOW RIGHT: Scot Acre (Reverend Hopkins) is dismayed to discover that the church was set on fire! (or was it? . . .)

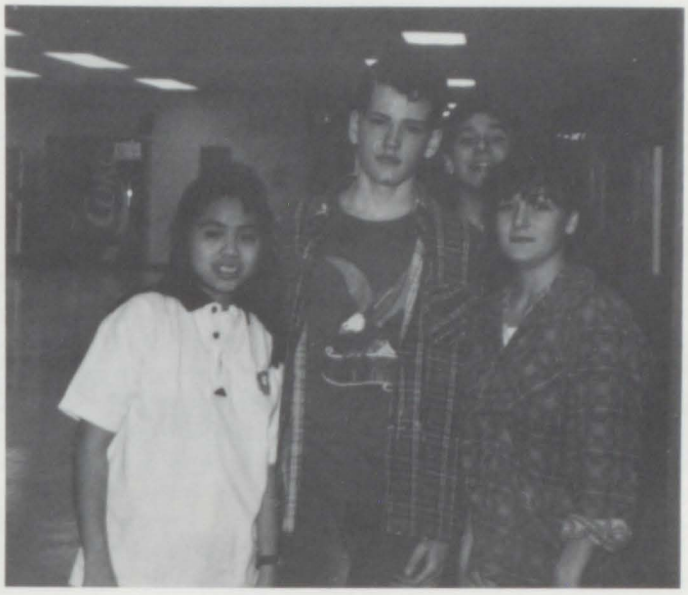

This year's Drama Club was extremely successful. On December 1, they performed the play "The Best Christmas Pagent Ever", based on the book by Barbara Robinson. The seats were all filled, and the players were nervous. But through it all, everyone kept their cool, and the audience brought the house down with applause when it was all over.

The Drama Club is under the direction of Ms. Sharon Choate. Ms. Choate did a fine job in organizing the play.

Another little-known part of the drama experience is the Forensics Team. This group of thespians travels from school to school for invitationals, tournaments, and District competition. The group competes in such categories as Dramatic Interpretation, Prose, Poetry, Sales, Broadcasting, Duo, Multiple, and Extemperaneous as they perform works by their favorite authors. The competitors are then ranked on a scale of 1-100. Although the group has been small in the past, hopes for increasing membership are high.

SERVING THE STUDENTS

The Student Government is a lot like our own Democratic government. Before they can campaign, the candidates must have a petition signed by at least 20 students, and 2 teachers. After this has been accomplished, they campaign by putting up posters around the school and making speeches during the day's announcements. The students elect who the class representatives will be, and in turn, the representatives elect the officers. This year's officers are as follows: President, Dave Coverdill; Vice-President, Kim Boron; Secretary, Stephanie Kaufman; Treasurer, Steve Whitesell; and Parlimentarian, Stephanie Leonard. The Student Government Advisor, is Mr. Scheel.

The group organizes dances, Homecoming events, and Red Cross Blood Drives, as well as makes donations to fund raisers, and purchases new equipment for the school, such as chairs, tables, desks, and the new snack machines.

Obviously, the Student Government is a very important part of our school. Without them, our school wouldn't be the great place it is now.

Upper Right: Mr. Scheel asks Kristie Anderson if she knows how many pints of blood were donated so far. Right Stephanie Kaufman and Kim Boron sell a homecoming dance ticket to Newton King.

The 1989-1990 Rock-A-Thon was definitely a success. Juniors rocked the day away to make profits for this year's Prom. The rock lasted from 8:00 a.m. to 10:00 p.m. With the help of supervisors; Mrs. Ralston and Mrs. Weins, they raised a lot of money and had a ton of fun! Thank-you rockers!

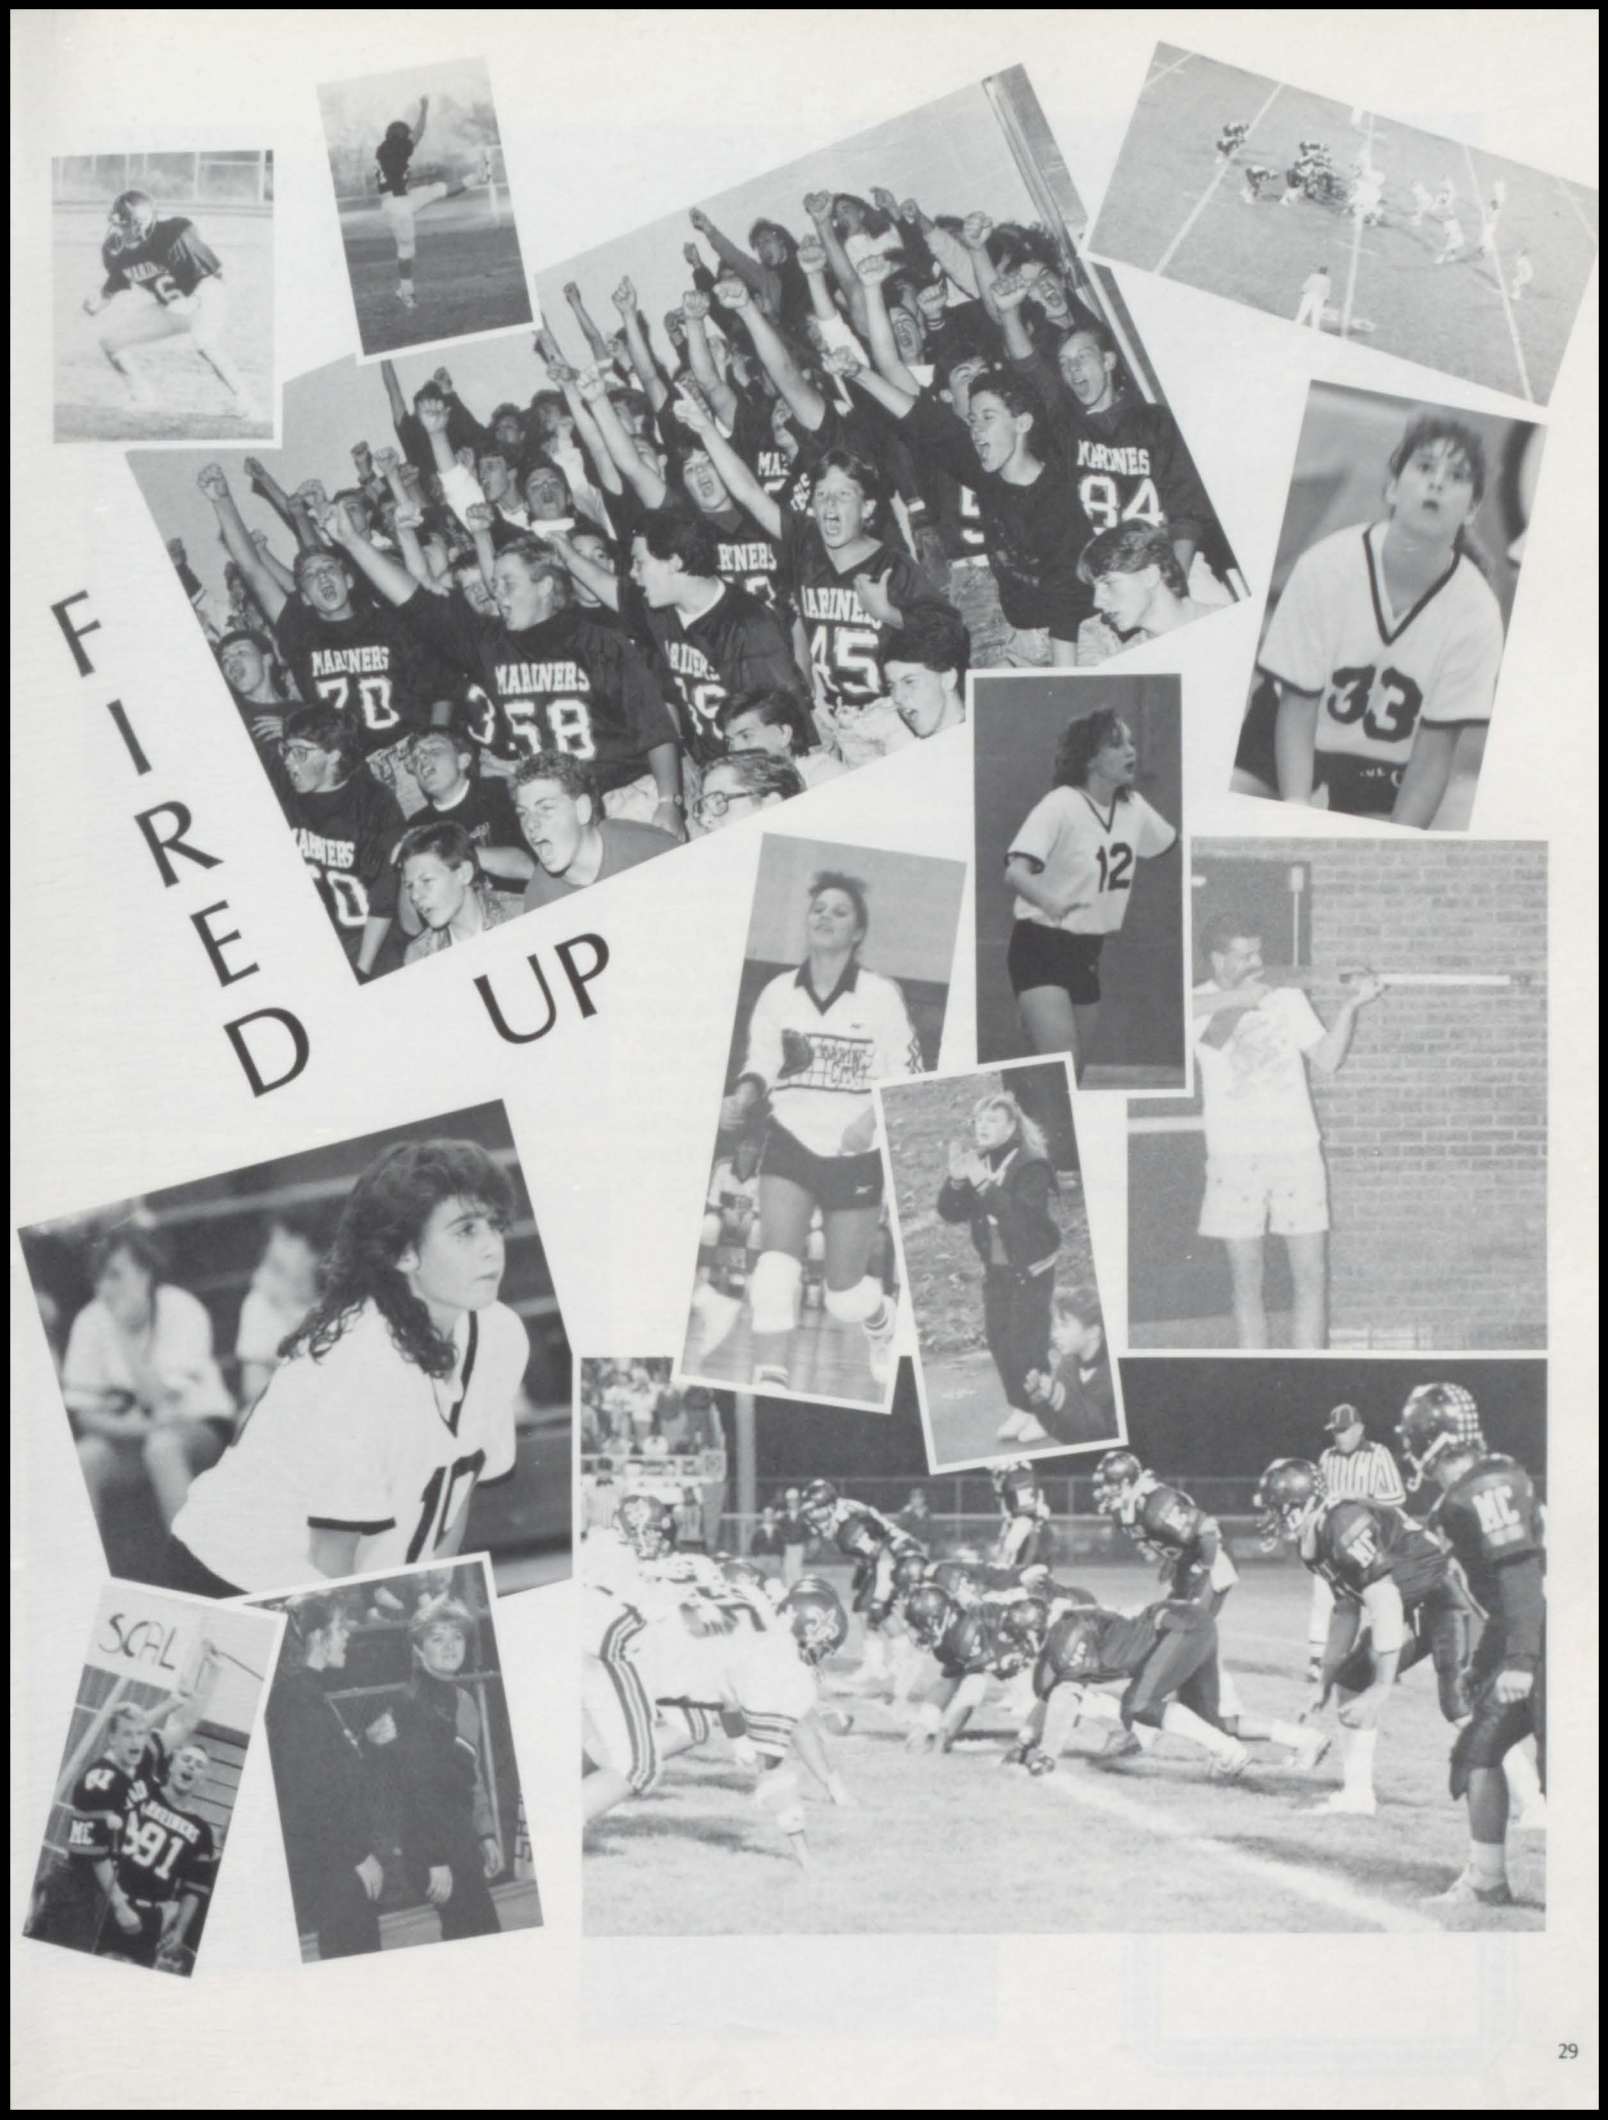

WINTER WONDERLAND

Snowflakes may be falling, but spirits are rising as Snow Court elections come around again this year. Each class elects two representatives including Senior King and Queen. The representatives are chosen to ride in the Marine City Christmas Parade. Cheerleaders, the band, Mickey and Minnie, Donald, Santa Claus, and floats made by organizations also partook in this year's parade. Christmas was definitely a fun time for everyone this year.

The 1989-90 Varsity Football Team had high hopes for shedding their second place spot. The men in black seemed to make everyone stop and take a second look. This year's team consisted of 22 seniors, 18 juniors, and one sophomore, Jeff Krause, who was an asset to the Mariners as a tackle but was injured early in the season. Injuries didn't phase the Mariners at all. When defensive back Sam Parisi, linebacker Mark Furtaw and fullback Matt Pollock were out at least one game each, the versatile team didn't let their bad luck get them down. They came into the games as positive as ever. This year's Mariner defense was known throughout the league. Led by Captain Jon Rhoades with the most tackles, Captain Rob Wesley, Ken Martin, Jeff Simek, and Scott Suggs with the most interceptions, there was no getting past the men in black. The offense was led by senior fullback Matt Pollock, who broke a school record by rushing for over 1000 yards. Matt did an outstanding job. Junior quarterback Rob Tenyer also did an exceptional job this year by completing on an average 8 of 10 passes a game. Also contributing to the Mariner lineup were senior defensive tackle Brett Coppens, senior tight end Jim Anson, and junior tight end Mike Tranchida. The Mariners proved that a lot of hard work and dedication really does pay off. Receiving All-League first team defensive honors were linebacker Ken Martin, linebacker Jon Rhoades, and safety Scott Suggs. Named to the second defensive team were Jeff Simek and linebacker Jim Heaslip. First team offensive honors went to Rob Wesley and fullback Matt Pollock. Second team offense, Brett Coppens and halfback Jon Rhoades. Jon also received the distinction of being named Most Valuable Defensive Player in the league. The men in black are driven to achieve and destined to dominate.

Above left: Coach Glodich shows his Italian heritage. Middle left: Chris Gabler mistakenly tackles Brian Recor's snowman. Middle left: Damon Kroetsch runs for yet another touchdown against Richmond. Far right: Matt Closs cruises for another touchdown.

This year's Junior Varsity football team put forth a superior effort. The hard-working team finished with a record of 3-5-1. Ryan Pettinger, Mike Simek, Brian Recor, Chris Gabler, Mike Piper, and Benjie Kaufman all had outstanding performances. Also contributing to the team were Juniors, Damon Kroetsch, Mike Westrick, Sergio Grijalva, Dan Koza, and Joe Knowles. They worked exceptionally well as a team to get the job done.

FRESHMEN

The 9th grade football team showed great potential for their first year playing. Freshman football is usually the students' first real chance at competitive football. This years' team met the challenge and met it well. This being just their first year, the next few look bright.

TOP LEFT: John Sonnefeld with the kickoff.

LEFT: Coach Walker discusses strategies during a time-out. Determined — that is the word to best describe this years' Varisty Basketball team. They worked very hard and played exceptional as a team. But the season's outcome wasn't quite what they expected. The team faced one of the toughest schedules in the league. Led by captain Jon Rhoades, this years seniors, guards Mike Endres and Donnie "Weasel" DeSnyder, and center Jim Anson played excellent in their last season at Marine City, although the juniors held their own and always came through. This year's leading scorers were forwards Jon Rhoades, Rob Tenyer and Dave Walker, who sank many a three when it counted the most. The rebounding was taken care of by juniors Jim Heaslip and Rob Tenyer and senior center Jim Anson. Each member of the team came through when they were called on. Frank Clemente and Matt McBride proved this in the game at Anchor Bay. The team then surprised everyone on February 13 when they played like the team they really are and beat number one ranked Port Huron Northern. It just goes to show that when you work as a team nothing is out of reach.

This year's Junior Varisty boys basketball team was coached by Mike Alley. The team consisted of one junior and thirteen sophomores. Although the team's record did not show it, every member of the squad was very spirited and dedicated to their chosen sport. This year's Junior Varsity team shows much prospect and in the following years they hope to be one of the area's top teams.

GIRL'S VARSITY

BASKETBALL 1990

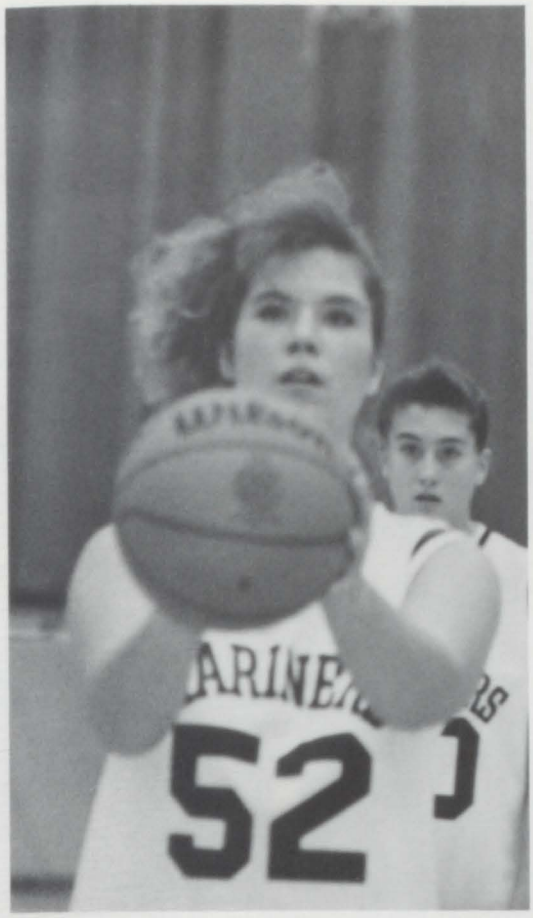

Top row (L-R): Stephanie Hoover, Sarah Osterland, Liz Styk, Karen Hill, Beth Osterland, Amy Scharnweber, Kathy Schnepp, Bottom Row (L-R): Kelly Sharrow, Allison Kowalski, Tami Brooks, Stephanie Leonard, Gretchen Warkentien.

It takes a lot of gumption in order to be a member of the M.C.H.S. Girl's Varsity Basketball Team. Even though the girls make it all look fun, it takes long hard hours of work, and a lot of determination.

Instead of going right home after school, the team practiced nightly, until their skills were polished. If there weren't practices to attend, there were games to play. It's hard to imagine practicing daily for hours, and still having the spirit that the M.C.H.S. team had.

The girls fought hard — teamwork was essential! If anyone felt like they just ran out of spirit, the other members were right there, ready to help them out.

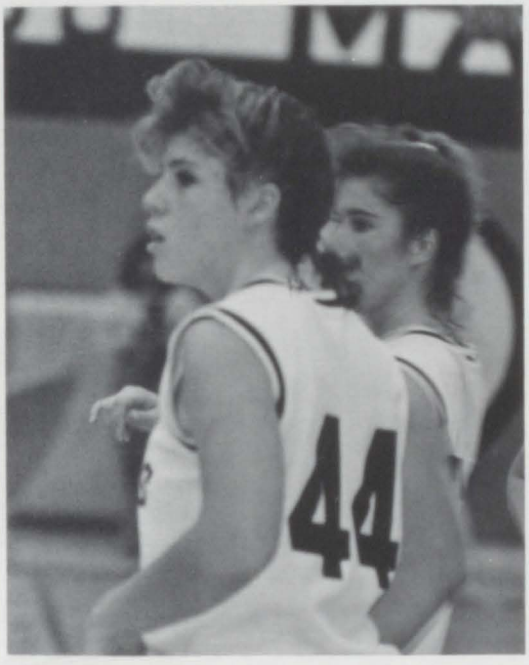

The extended hours payed off for the team. Their season had a lot of ups and downs, which made it all the more exciting. Mariner dedication and spirit has shown through once again. These Lady Mariners didn't just play basketball . . . they did it with style!

LEFT — The team discusses new strategies for a winning defense. BELOW — Coach Alley concentrates on making his team the best it can be.

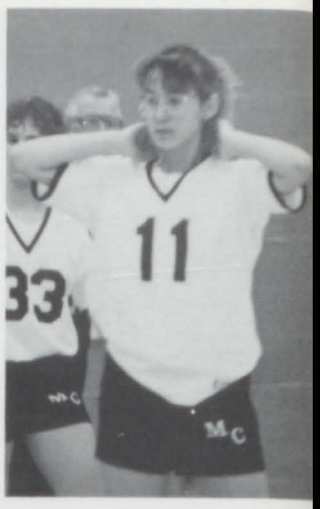

TOP — Senior Beth Osterland shoots for two. ABOVE — Amy Scharnweber watches the opposition carefully as she plans her next move.

Coach Brian Eves gives words of inspiration to his Junior Varsity basketball team.

J.V. GIRLS BASKETBALL

Practice. Hard work. Dedication. All these words and more describe this year's Junior Varsity girls basketball team. Finishing with a record of 12 wins and only 7 losses was definitely a reward for their effort throughout the season. Made up of four sophomores and six freshmen, the team was very pleased with their showing. From the looks of this year's junior varsity squad, next year's varsity team should consist of the qualities that create winners!

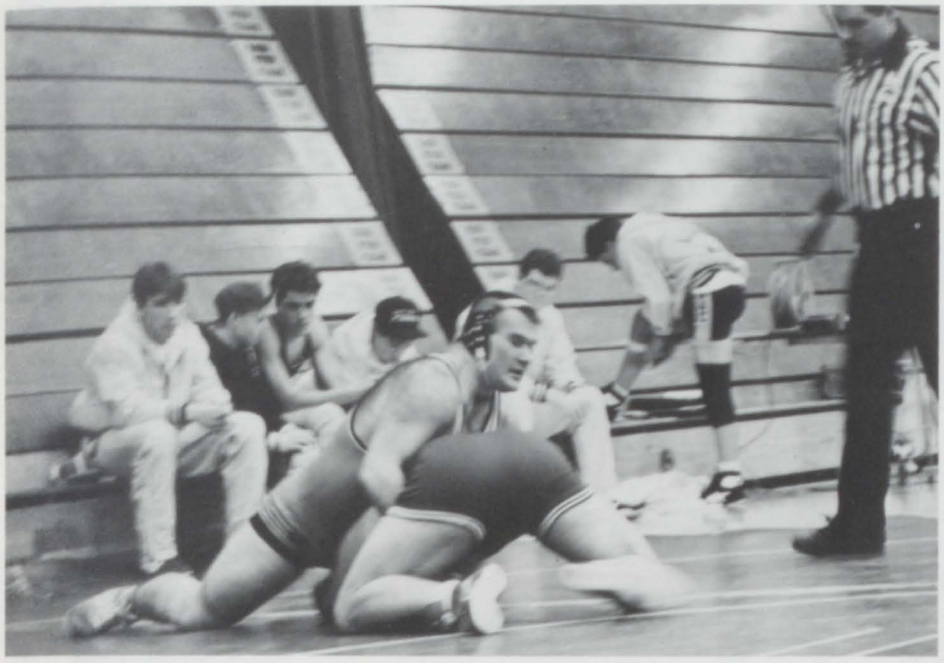

Exhausted No. 22, Kelly Sharrow puts out that 110%.

Ken Martin gets ready to pin another opponent.

TOP ROW: Brock Hanlae, Jeff Doran, Pete Hermansen, 4th ROW: Maynard Laparl, Ryan Pettinger, Brian Allam, Mike Simek, Ryan Dunn, Steve Maye, Mike Doran, Ken Martin, 3rd ROW: Ken Smith, Mike Collins, Christopher Davis, Scott Potvin, FRONT ROW: Bart DeBacker, Matt Hermansen, Mark Bonser

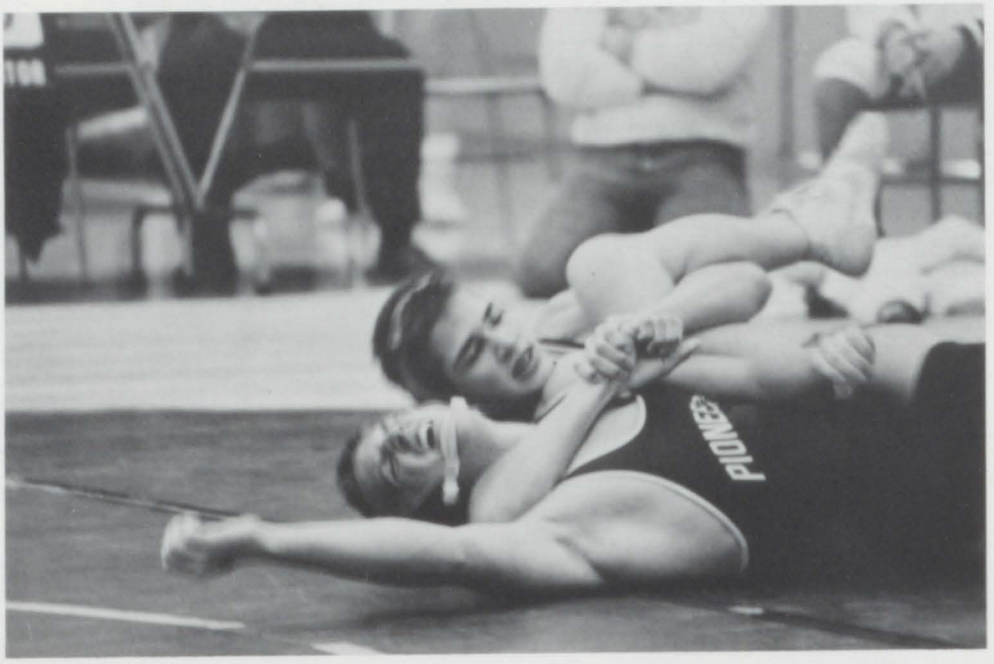

ABOVE: Jamie Brown intimidates his opponent before his match. BELOW: Bart DeBacker scopes out his next opponent.

M.C. WRESTLERS

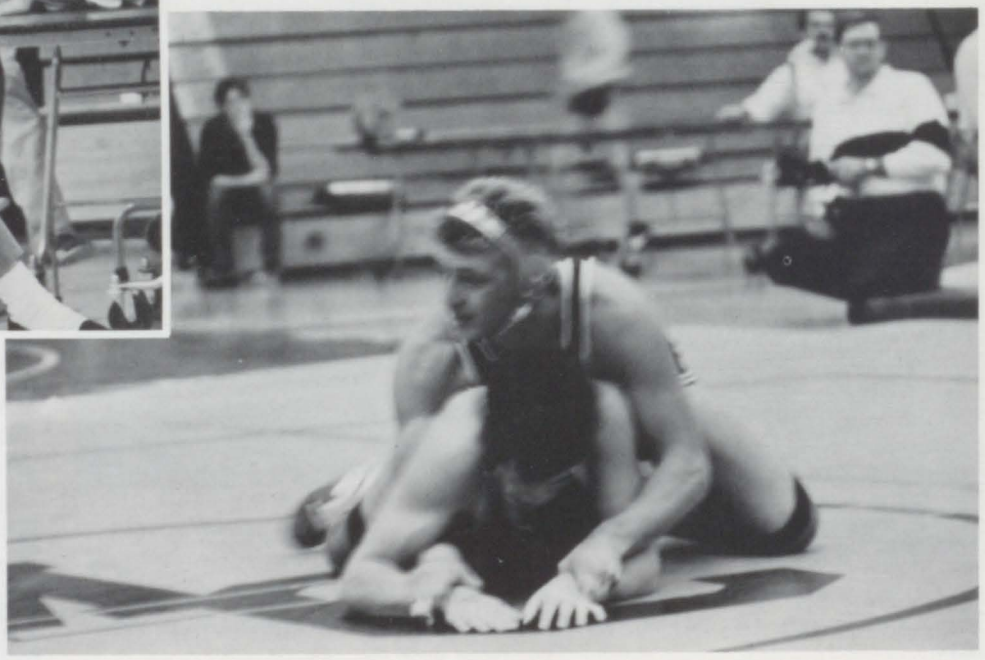

To be a good wrestler you need speed, strength, and determination. This year's team had all the requirements needed to have a winning season. The team captains were Mark Bonser, Matt Hermansen, and Bart DeBacker. The most improved was Ryan Pettinger. There were only 5 seniors this year, which means next years team will be very strong. The M.C. Wrestlers ended with a winning season which Coach Pete Hermansen was proud of.

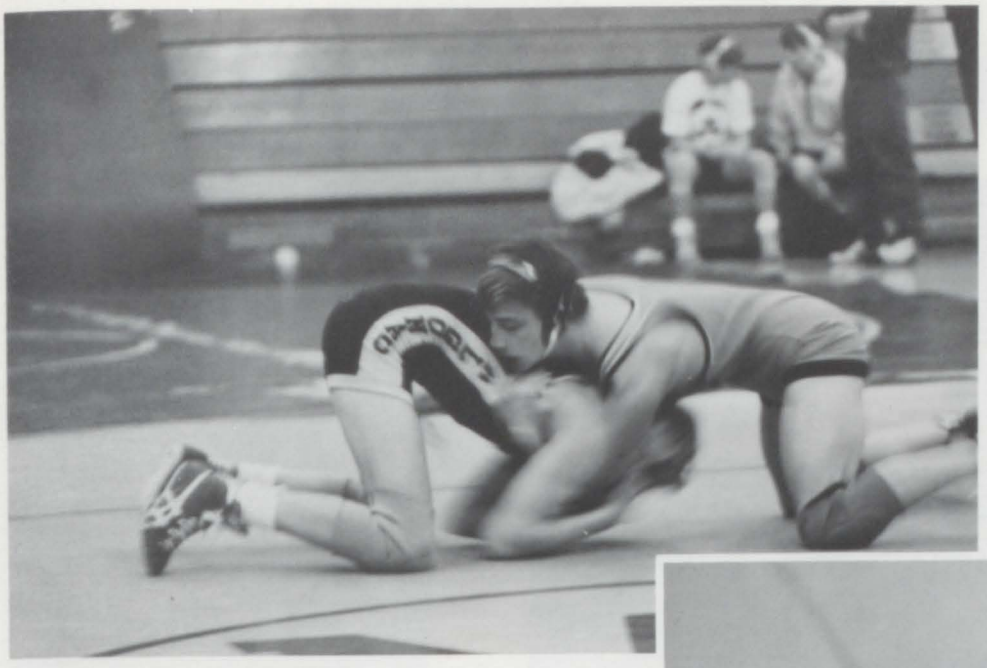

TO THE RIGHT: Mike Simek applies a lot of pain when pinning his opponent.

TO THE LEFT: Coach Hermansen gives helpful advice during the match.

TO THE RIGHT: Rob Woityra clearly has the advantage.

BELOW: Ryan Dunn concentrates on the techniques for his next match.

MIDDLE: Ryan Pettinger applies a difficult move on his opponent.

TOP: Bart DeBacker uses his awesome strength to make his opponent kiss the mat.

ON THE RUN

LEFT: Heidi Esders gives it her all to make it across the finish line.

ABOVE: Heidi Esders and Alison Forest strive to give their team a victory.

BACK ROW: Tony Markel, Mark Brettin, Steve Polio, Bart DeBacker. FRONT ROW: Scott Potvin, Heather Burgess, Michelle Heck, Shelly Davenport, Bruce Potvin. NOT PICTURED: Dave Coverdill, Joe Bakun, John Bakun, Heidi Esders, Alison Forest.

Cross country running takes a lot of practice and hard work. This year's team was the first team in Marine City's history to make it to the State Finals. The most improved runner on the girls' squad was Heidi Esders. The captain and MVP was Heather Burgess. The girls' team held together and had a rewarding year.

BELOW: Bart DeBacker concentrates on winning.

ABOVE: Steve Polio proves the cliche correct — "No pain, no gain!"

LEFT: Dave Coverdill shakes loose from the pack.

This year's boys cross country team set their eyes on the highest goals and met them. Their spirit never faded through rain or shine, and all their hard work and dedication payed off. Capturing a second place spot in the SCAL was a highlight of the season. Led by captains Tony Markel and Dave Coverdill, the team had a good time wherever they went and their enthusiasm spread to brighten the day of everyone they encountered. This year's MVP was Tony Markel, a junior, leaving next year's team full of hope and promise.

LEFT: Enjoying themselves after completing a race are Tony Markel, Steve Polio, and John Bakun.

This year's Junior Varsity Volleyball team, in a word, was TALENTED! It consisted of three juniors, seven sophomores, and two freshmen. "The team competed in the toughest Junior Varsity league I've seen." says Coach Ralston. The teams in the league all were very capable of winning, so the games were very unpredictable.

The Boys Varsity Swim Team put forth a great effort this year and had a great season. For the first time in the history of the swim team, Marine City defeated Marysville. This years team was lead by captains John Berg, Greg Prais and Greg Lendzion. This was the first season for coach Karen Bernardi and eight new team members. She showed the boys that a lot of hard work always pays off — the team had a great season.

Hard work. Patience. Practice. These terms all went in to the making of this year's Varsity Baseball Team. Led by captains Jon Rhoades and George Stephenson, the squad consisted of three seniors, four juniors, and five sophomores. The team finished the season with a record of seven wins and fourteen losses overall and two wins and eight losses in the SCAL, leaving them in fourth place. Two players were named to the All League team. These were Jon Rhoades and George Stephenson. Honorable Mentions were Steve Ameel, Mark Furtaw, Don DeSnyder, Bob Tebeau, Rob Tenyer, Mike Tranchida, David Walker and Tim Kammer. When the awards were given at the end of the year, Jon Rhaodes came away with the MVP award, and Don DeSnyder was chosen Most Spirited. Whatever the turnout of the season, everyone involved with the team enjoyed themselves immensely.

LEARNING THE ROPES

Although the main purpose of junior varsity is to prepare athletes for the move up to the varsity team, this year's young squad did well for themselves. The team finished with a record of 9 wins and 11 losses. Team awards were as follows: Most Valuable Player — John Griffor, Batting Champ — Jim Paquette, Most Improved — Chuck Daniel, Spirit Award — Matt Closs. The squad was led by it's captains, Mike Schmidt and Chuck Daniel.

This year's Varsity Softball Team was, in a word, Outstanding! They were S.C.A.L. champs with a league record of 8 wins and 2 losses. They had an overall record of 20 wins and 6 losses. Contributing greatly to the winning record was the fine pitching of junior, Beth Osterland, who was named All-Area, All-Region, All-State, and was put on the 1st team in the All-League Selections.

Other outstanding players were Kathy Meganck, who received All-State Academic, Lisa Livernois, Rachel Osterland, and Jill Riechle. Overall, the team had an exceptional and exciting season!

Lisa Livernois anxiously awaits the ball!

The J.V. Softball team has never looked better! This year, the Lady Mariners took 1st place in league competition with a 9-1 record, and an overall record of 15-7. The winning combination consisted of three sophomores and ten freshmen.

When the team wasn't winning, they were practicing. It took a lot of hard work and determination in order to come out on top! Practices were sometimes long, and tiresome, but the entire team agreed that it was all worth it in the end. As the J.V. members move on to the Varsity team next year, we can look forward to some great talent, and a great season!

This sign was hung up at all games as a sign of excellence.

THAT'S HOW THE BALL BOUNCES

While at a home meet, Eric Walker awaits a serve from a competitor.

The Varsity Tennis Team finished the season with a record of 6-4 in the league. Tennis is one of few sports in which both girls and boys play on the same team. This year's team had 22 players overall. It consisted of 8 seniors, 3 juniors, and 11 sophomores. The team put forth a great effort and had a 3rd place finish at regionals. The team was lead by captains Bob Osterman, and Tom Heaslip. Both Tom and Bob had many excellent performances. Also receiving praise for his effort was junior Scot Acre. Scot was named the team's Most Valuable Player. Jeff Kelly worked hard this year on his style and performance, which entitled him to the Most Improved Player award. The Academic Award went to senior, Kara Saph.

School with tennis teams aren't always easy to find! The M.C.H.S. team had to travel to Sandusky in order to compete. Although matched with strong competitors, the Mariner Team was able to hold their own. With a sport that depends greatly on individual performance, each member aided one another in order to be the best team possible!

LEFT: Amy Schneider socializes with the Clarkston Wolves. BELOW LEFT: The Mariner Man helps the squad out at a football game.

The Varsity Cheerleading squad began it's season at the end of the 1988-89 basketball season, when they had tryouts.

The Varsity "team" consists of five juniors and five seniors. They call themselves a "team" because they work together and strive for success, just like any team would.

The cheerleaders practice during the summer to prepare themselves for camp. They went to the Champion Cheerleading camp, where they learned many new cheers, chants, and dance routines.

The squad also competes at many cheerleading competitions during the year. This year, the girls took part in the Blue Water and SCAL competitions, and they more than held their own among some fierce competition from other squads.

Although the squad has a reputation for being one of the less difficult sports to participate in, they have many long and hard practices. They also try their hardest to get our somewhat unenthusiastic students to root for their teams, and only sometimes are they successful. But the team has fun wherever they go and whatever they do, and that is what makes it all worth it!

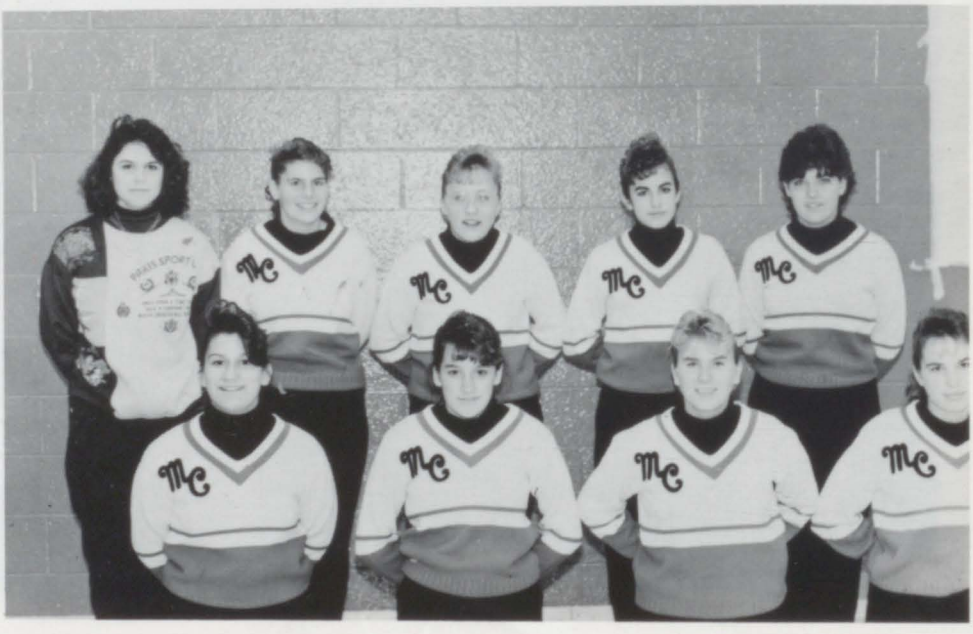

LEFT: Despite the cold weather, Brenda Nortley, Terra Dyrval, and Candi Nannini give it their all.

JUNIOR VARSITY & 9th GRADE CHEERLEADERS

RIGHT: The JV Cheerleaders: BACK ROW: Sandy Lumley, Dawn Sadlowksi, Aimee Moorehead, Mariner Man, Jamey Zimmer, Jessica Furtah. FRONT ROW: Rene Bobruk, Nikki Currier, Therese LaVere, Nicollette Sebastian, Irene Dandron.

The Junior Varsity and Ninth Grade Cheerleaders worked extra hard this year to cheer their respective teams on to victory. The JV squad was a major part of the enthusiasm felt by the team, and they gave it their all in their continuing quest to become Varsity cheerleaders. The ninth grade, with this being their first year in high school, showed great prowess and determination at all the contests. Many hours of hard practice and strenuous exercise were endured by both groups of young ladies, as well as extra time to practice for competition — and if the saying is true, practice makes perfect! The JV squad took a third place at the Blue Water competition, and they came out on top with a first place at the SCAL Meet. With this kind of spirit and decication to look forward to, the future years squads will be awesome!!

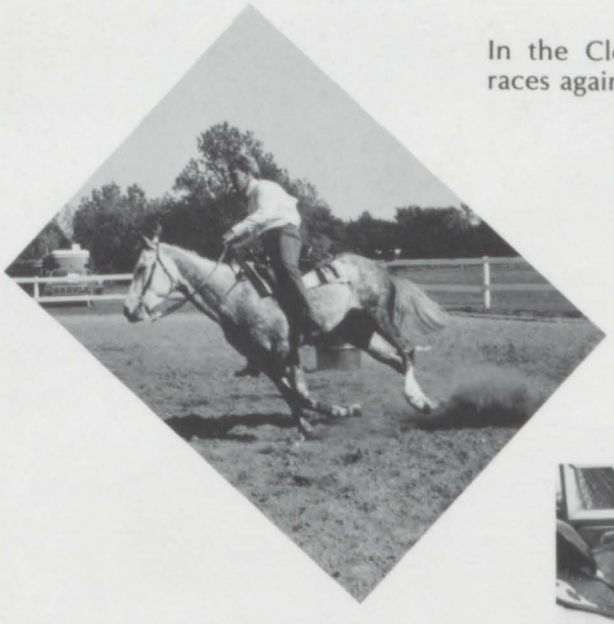

1 — The JV Cheerleaders await a foul shot.
2 — JV struts their stuff during the halftime of a JV game.
3 — Go! Go! Go! Let's do it! says the squad as they root the team on to a victory.
4 — Good sportsmanship is a major part of any sport — and the girls show it here while watching the visiting squad perform.
5 — Both JV and 9th graders participate in every pep assembly in various skits and dance routines.
6 — Chris Jansons looks on as the JV team roars to a victory.

Reinstated after three years of nonexistence, the MCHS Equestrian Team had an exciting season. Despite cold, rainy meets, and many practice, the team did quite well for their first year.

Local equestrian meets were held at Saddlebrook Stables on King Rd. Area teams attended the meets, where members competed in events such as English and Western Equitation, Jumping, and gaming classes. Points were given to the participants who placed in their respective classes. As the points were accumulated, the Mariner Team often found themselves in a top position.

Competing at these meets didn't mean riding their horses straight from the pasture and into the showring. It took long hours of training and riding in order to make the improvements needed in order to come out at the top.

Overall, it was an exciting and educational season for the team. Members are already looking forward to next year . . . the Mariner Team IS Hot to Trot!

Those who participate in a choir class realize that it isn't the "blow-off" class that everyone thinks it is. It represents hard work and dedication. These students are performers, and each student knows that "Fame costs, and right here is where you start paying!"

A Chorus Line? Well, maybe not quite, but the Marine City High School Choirs worked hard to be the best they could be. It takes a lot of hard work to be a member of either of the High School Choirs, Mariner Connection or Touch of Class.

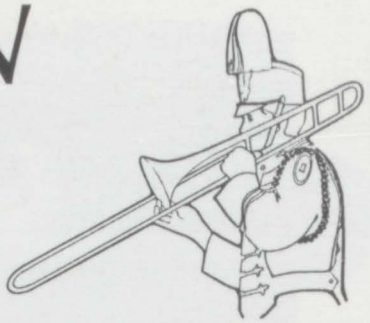

"It's not all song and dance," as they say. Learning songs is only one of the many things that choir members must do. Daily, members must also learn music theory and sight singing techniques, as it is all a part of being in choir.

Once the basics are covered, it is finally time to harmonize. Preparation now begins for any upcoming concerts. Members begin learning songs months in advance. They must allow time to polish their numbers, as well as choreograph them. If it sounds easy, it's not. Singing and dancing to the same song is difficult, but having it sound good is another story altogether.

It's showtime! Both Touch of Class and Marine Connection perform concerts twice a year. This year, these two choirs joined the MCHS Band for the winter concert. The response was tremendous . . . over 800 people attended the concert!

ROLL OVER BEETHOVEN

Band is an exciting class for many students. It's the one class where they can show off their musical talent. When they first join, usually in the sixth grade, most members know very little or nothing at all about music. But as each day goes by, Mr. Decker teaches them more and more of what they need to know. Some of the highlights for the band this year; performing in the MSBOA District solo/ensemble Festival at Rochester High School, a Pre-Festival concert with the St. Clair High School band, and the MSBOA XVI Band Festival at Algonac High School. They also marched in the Marine City Christmas Parade and performed with the choir at the Christmas Concert on December 13. With all these events to play in and practicing, it's easy to see why they are great musicians. Who knows, maybe one of these days we'll see one of these students playing in the Detroit Symphony Orchestra.

What is a Business Professional? It is someone who takes their school business courses one step further and makes them fun.

Members of Business Professionals of America go above and beyond the normal classes during the schoolday, and strive to be the best in Regional, State, and National Competitions.

Members prepare for such competitions by studying much longer than normal. By doing so, a normally dull subject can become quite interesting.

At competitions, they compete against many other students from many other schools, hoping to place high in each event. Competitors have a wide range of events to choose from, including Keyboarding, Business Law, Proofreading, Computers, Business Math, Accounting, and more.

Members meet an average of 2-3 times per month in the Business room at lunch. Besides preparing for competitions, members also discuss fundraisers to pay for students accomodations at the higher levels of competition as well as charity events.

Those who were a part of the 1989-1990 Business Professionals of America Chapter all agree that the club was well worth joining.

. . . ONE STEP FURTHER

ABOVE: Who said meetings are dull? Jay Hennig livens up one of the weekly meetings. BELOW: Kelly Pfeiffer and Sherri Bernard laugh about a stupid mistake in the accounting books.

New members are always welcome. Kevin Warner and Diane LaMay join the club during one of the meetings at the beginning of the year.

SKILL CENTER

- Classes ranging from auto repair to electromechanics, there is well over 30 different 3 hour vocational programs that are offered.
- Opportunity to get a head start on your future career.
- The program often supplies a job for students upon graduation.
- Chance to meet students from other schools.

HEALTH A LESSON IN LIFE

TOP: Cheryl Ouellette discusses mental health with her classmates.
ABOVE: Mrs. Thompson discusses the effects of smoking with her fifth hour Health class.

Health class with Mrs. Thompson is a fun way to learn how to take care of yourself to prevent illness. Some of the topics such as drugs, alcohol, mental health, stress, smoking, diseases, AIDS, and STD's help students learn information that pertains to their daily life. Health class became a requirement for graduation, but it seems to be enjoyed by all who take it!

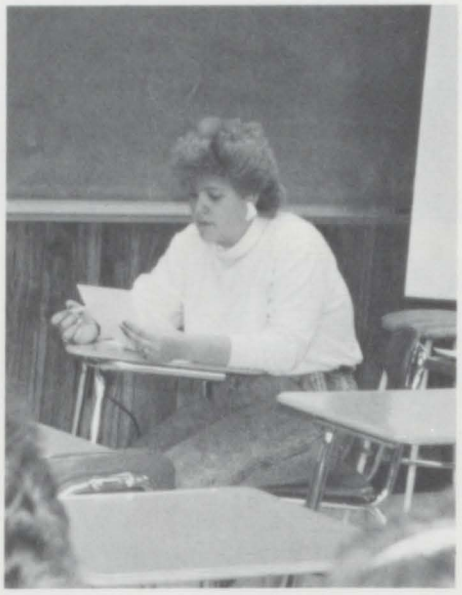

The National Honor Society was founded by Edward Rynearson in 1921. It was started to recognize and encourage academic achievement, leadership, and charcter. To be in the NHS, you must keep your grade point average at 3.3 or higher, which is checked quarterly.

The NHS here at Marine City does many things for our community. This year they collected money, bought books, and gave them to needy children in our area for Christmas. The NHS also had a Thanksgiving food drive, during November, and raised 85 dollars and a big basket of food.

These among many other things are what makes the National Honor Society such an important part of our school and community.

ABOVE: Top: Elena Perez, Newton King, Katja Tuominen, Bottom: Annaly Elegado, Silvia Anguano, Cynthia VanLamoen.

We are very lucky to have six students from different countries attending school with us this year. These students are Elena Perez, from Spain; Silvia Anguano from Mexico; Annaly Elegado from the Phillippines; Newton King from New Zealand; Katja Tuominen from Finland; and Cynthia VanLamoen from Chile.

They are really enjoying their stay here in the United States, (with their new friends.) The students are learning new customs, foods, and traditions as they stay with their host families. Likewise, we have learned a little bit above their individual ways of life in their countries.

All we can say is, Marine City High School is very glad that they were chosen to attend our school.

Cynthia VanLamoen tried to get out of the way of the camera, but it was too late.

The Quiz Bowl Team is headed for an exciting season. They've expanded from 15 members to 25.

Quiz Bowl involves competition in which students respond to questions from a vast variety of areas with as much speed as possible. Each tri-period consists of three ten-minutes rounds, after which the team with the highest score is affirmed the winner.

Many lunch hours were sacrificed for the team. With the aid, supervision, and knowledge of Mr. Homberg and Mr. Chamberlain, the team is an even greater success.

MAKE ROOM FOR THE FROSH!

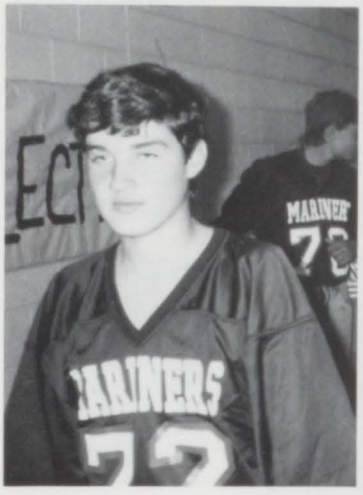

High school is made up of many wonderful memories, each year better than the last. This year's memories are ones that we will never forget. For this is the year that freshmen were admitted into the high school. Most freshmen like the idea of being included in the high school, and they have a sense of belonging. But most of all they like making many new friends.

Spirit Week was a fantastic challenge for the freshmen. Not only did they participate, they did it with an enormous amount of spirit.

New trends for this year's freshmen included baggy jeans, oversized shirts, penny loafers, neon colors and hair teased to eternity.

The freshmen of 1989-90 are very anxious to make new friends, to learn more about the world, and most of all to strive for success.

CRUISIN' INTO

The 1989-1990 school year held many surprises for the Sophomore class. Instead of being the only newcoming class into the high school, they were joined by the freshmen, which increased our school population to over 650 students. The freshman class joined the rest of the students at M.C.H.S. due to the fact that the Junior High, now called the Middle School, added the sixth grade class to the building. The sophomores handled the new change with style. The only problem with the addition of all these new students, is space . . . there is none! Students are often paired up two, and sometimes three to a locker! Finding room for locker posters, decorations, mirrors, and magazines is a major problem . . . let alone saving room for books!

Every break in between classes was a major rush hour, filled with many traffic jams, and head-on collisions! It was possible to go through a whole day of class and not be able to find your best friend in the hall!

Sophomores. 1992. It's a new world, and it's a challenge! After just entering the high school and dodging the new students from hallway to hallway, class to class, the sophomores have yet another decision in front of them . . . class rings!

It's not as simple as it seems! There are dozens of styles to choose from, and then there's the cost to worry about! After weeks of waiting, the delivery date finally comes . . ., and within a few days, many of the girls are now wearing their boyfriend's new rings on their necklaces! This just proves that the sophomore class is holding on to tradition!

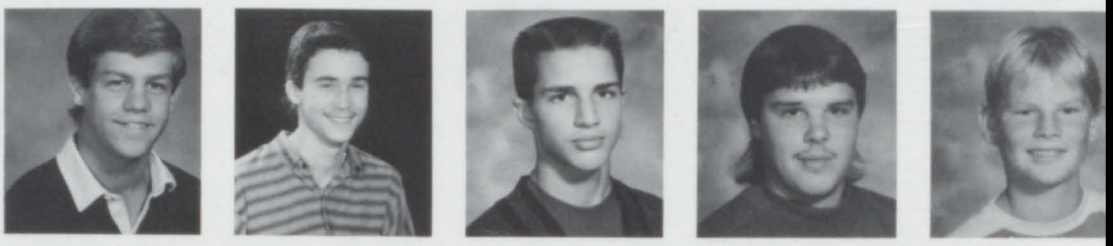

License to drive? Many of the Sophomores now have driving on their minds! If they are lucky enough to pass the Driver's Test, it doesn't take long before they are out cruisin' the town, or going to their favorite hot spots!

SOPHOMORES ARE FRIENDSHIP BY UNITED

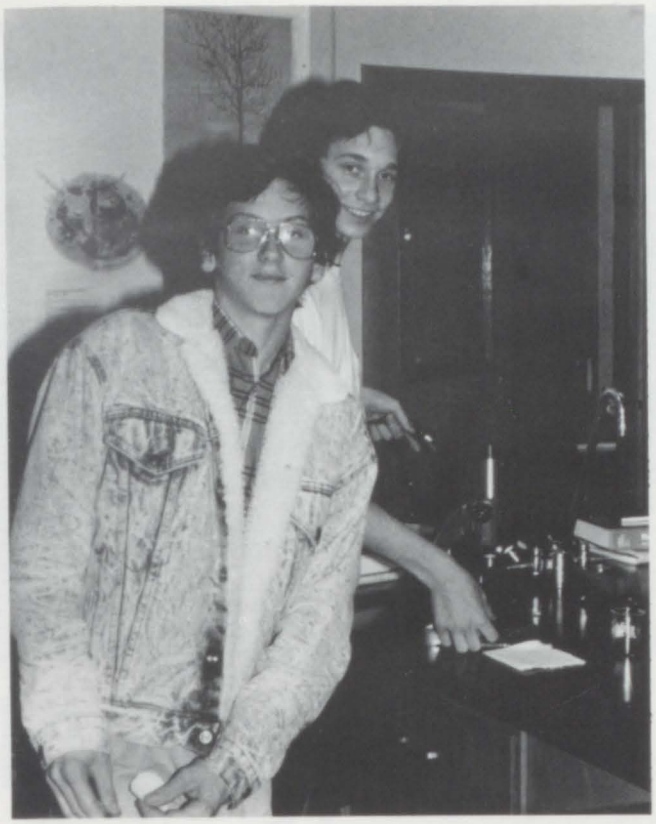

ABOVE: Sophomore Homecoming Prince and Princess Finalists: Sara Osterland, Jacob Achatz, Irene Dandron, Ryan Pettinger, Stephanie Leonard, Mike Simek, Jamey Zimmer, Don Seibert, Jill Kowalski. BELOW: As John Lenore refuses second helpings of the mystery meat in the cafeteria, Kevin Macphee slowly turns green.

A student's sophomore year in high school is the basis for many friendships that will last a lifetime. Beyond the boyfriend-girlfriend relationships, many people find the everlasting friendships that continue on well past the date of graduation. While some duos prefer to spend their time on Thomas Edison's wonderful invention (much to the dismay of their parents!), many amigos find time to chat in the hallway, the bathroom, or the locker room. And, as everyone knows, friendships are reinforced through the use of the object which upsets teachers the most — notes! Whether written or passed during classtime, notes are always a source of irritation for faculty members! When the glorious time comes that some sophomores get their license, they can be seen taking a lap with some of their closest friends — and it seems there are always at least three people vying for the front seat — the best place to be! Whenever and wherever friendships are formed, the best ones are the ones which withstand the true test of time. After all, a good friend is as valuable as gold!

A friend is one of the nicest things you can have, and one of the best things you can be. A friend is a living treasure, and if you have one, you have one of the most valuable gifts in life.

A friend is the one who will always be beside you, through all the laughter, and through each and every tear. A friend is the one thing you can always rely on; the someone you can always open up to; the one wonderful person who always believes in you in a way that no one else seems to. A friend is a sanctuary. A friend is a smile.

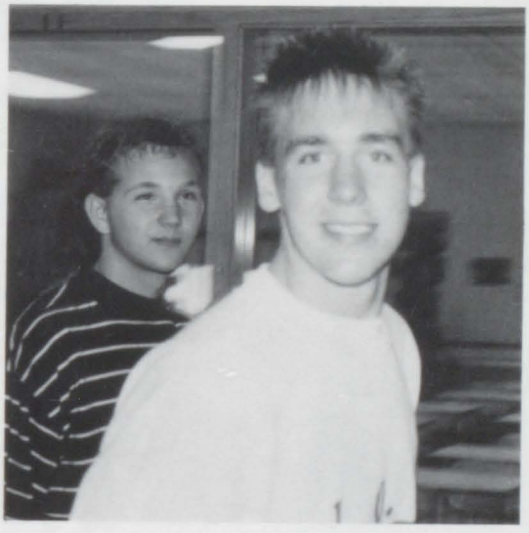

A friend is a hand that is always holding yours, no matter where you are, no matter how close or far apart you may be. A friend is someone who is always there and will always care. A friend is a feeling of forever in the heart.

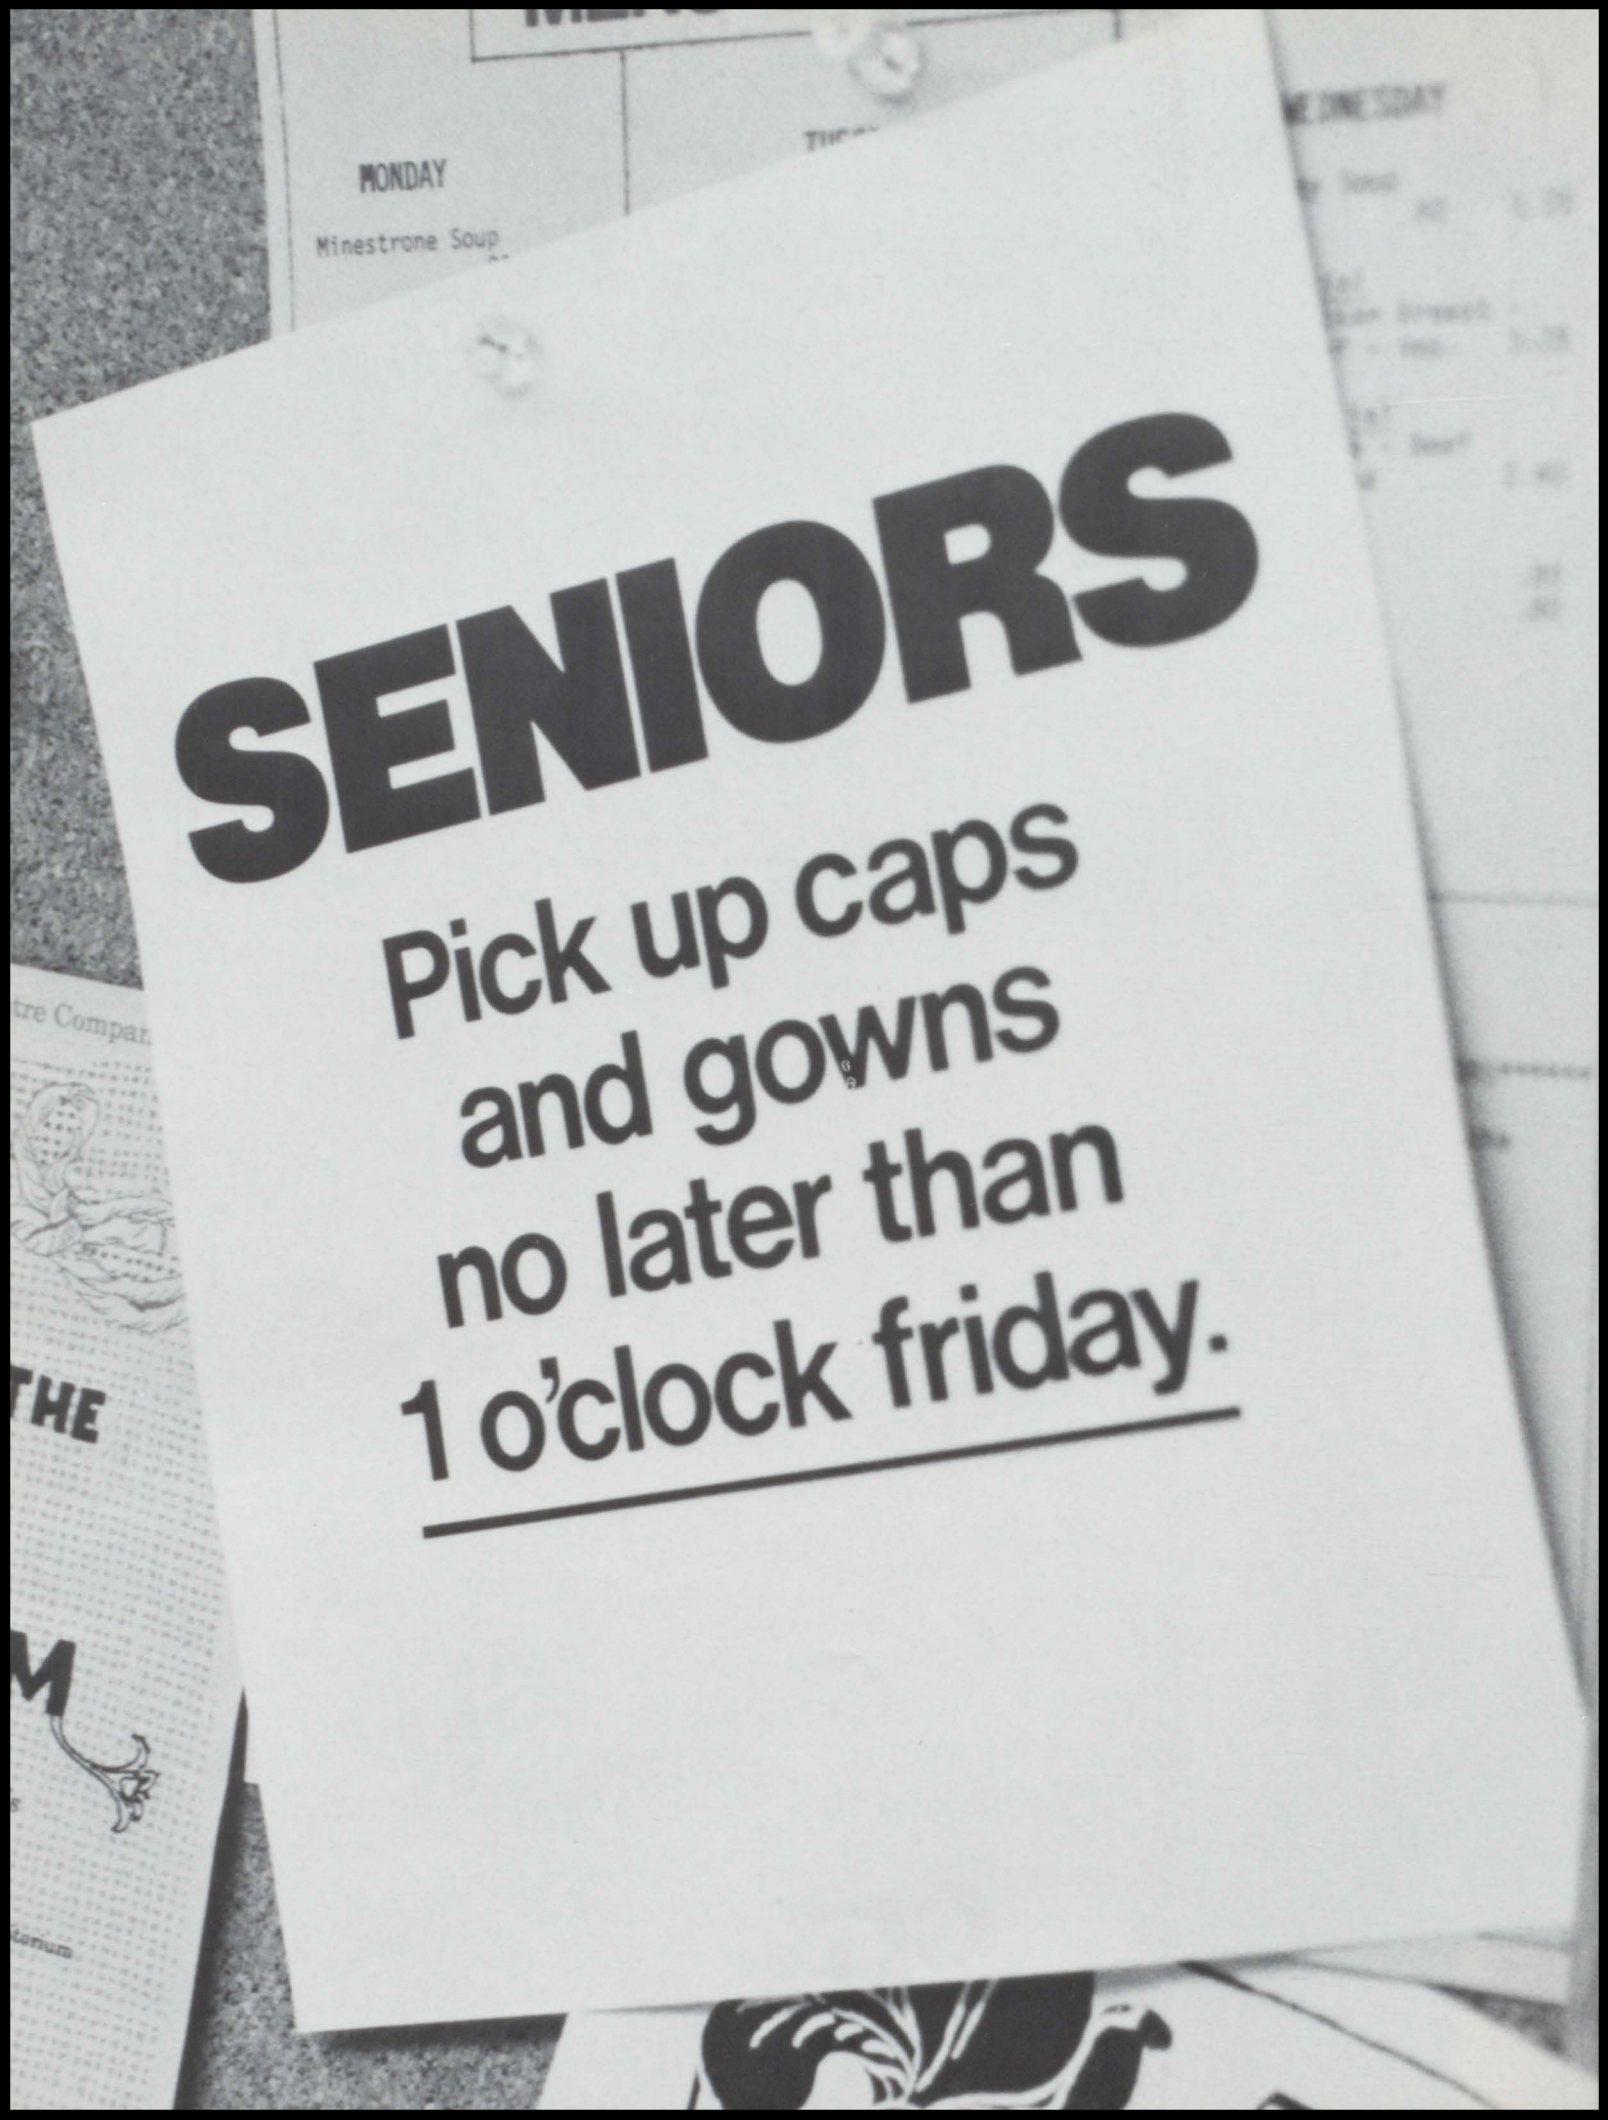

A friend is the one door that is always open. A friend is the one to whom you can give your key. A friend is one of the nicest things you can have, and one of the best things you can be.

MOCK ELECTIONS

RIGHT: Horsing around in the hallway as usual are 'Class Clowns' Jim Anson and Annette Noe. BELOW: Taking a break from their enormous workload are Marie LaVere and Greg Prais, elected 'Most Likely To Succeed'.

TOP: Checking out the latest fads in current fashion magazines are 'Best Dressed' Dave Clay and Lesley Winzer.
ABOVE: Practicing her swing on fellow jock Jon Rhoades is Beth Osterland. Both were selected 'Most Likely To Become Professional Athletes'.

Every year, the senior class chooses a few of their classmates to represent them in Mock Elections. No matter who is chosen, the elections are always enjoyable for everyone involved.

1 — Complaining about having their picture taken are 'Class Whiners' Michelle Mauiri and Kevin Regan.

2 — Tom DeMoss and Lisa York were chosen 'Worst Drivers'. They seem to be asking 'What's a speed limit?"

3 — Showing Mr. Warkentein who's boss are 'Class Brown Nosers' Jennifer Osterland and Steve Frank.

4 & 5 — Struttin' their stuff are 'Most Watchable Walk' winners Angel Vandekerckhove and Brian Newman.

6 — Showing off their sexy gams are 'Best Legs' Karen Hill and Tom Ruttan.

Becoming a senior carries much responsibility with the fun it holds. One of the major decisions which occurs during the senior is whether or not to go to college and where to attend. Seniors spend many weekends visiting various colleges in hope of finding one to match their wants and needs. Although the students' last year in high school is often spent partying, most of the senior class understands that this year is also an important one as far as decision making goes — and hopefully, most seniors have made the right choices!

This has been an exciting year. With the cooperation of both students and staff, a smooth transition was made from a three year to a four year high school. This change has made our fine school even more vibrant. I am extremely proud of our students, staff, and facilities. Mr. Wingate

Congratulations to the class of 1990. Your cooperation was greatly appreciated. Remember that the educational accomplishments you have attained are your assets to the future. Mr. Warkentein

The addition of 200 ninth graders has made a big increase in counseling duties this year. But the 9th graders add new spirit to the building and join a great group of upper classmen. K. Kimmet

Thanks to all of our students for an excellent school year. Good luck to the class of 1990. D. Scheel

BURNT OUT

"Where are the football pictures?" "How many pages should we use for the freshmen?" "Which pictures do we use for the Homecoming layout?" These were just some of the questions and problems this years staff had to deal with. Other hurdles were learning the system for a new publishing company and photography studio. This years young staff, which had only three returning veterans, also had a new advisor. We all worked hard and long, at times it seemed we didn't know in which direction we were headed. Somehow we pulled together and forged a yearbook that we feel is successful. This yearbook is a longer format, one which we hope you'll enjoy. We also included a couple of pages for autographs and current events, pages which we feel you'll find very intersting in ten or twenty years from now. Of course we covered the new kids on the block, the freshman class. We hope that you enjoy this yearbook today and in the coming years.

ABOVE: Keeping busy and working hard to meet a deadline are Jeni Yokom, and Denise Horn.

ABOVE: Trying to keep on track with what they are doing are Lisa Langell, and Beth Brockmiller.

HOT "STAFF"

This is the place where the members of the yearbook staff finally get a chance receive credit for their hard work. Listed below are the names of the staff, and the pages they have designed for this yearbook. Sometimes, it is hard to realize just how much work goes into yearbook. With it's production, comes an entire year of work, stress, and never-ending problems. Thanks to these staff members, Marine City High School can have a yearbook in which they can be proud of.

DOUBLE TIME

TWO YEARS

My experiences in Yearbook have meant a lot to me. Being in something that effects the entire student body is a great experience.

Through two years of Yearbook, the staff has undergone many changes. With a new advisor last year, we often felt confused, and the students were very eager to learn and make the class worthwhile, (and the experiences with the Midnight Crew are not to be soon forgotten).

This year, switching to a new company proved to add one more hurdle in the race. We were also assigned a new advisor, who had little experience in the yearbook field. It was like starting at square one all over again. If I learned one thing through being in this class, it has been to trust the old addage, "If you want something done right, you have to do it yourself."

I was fortunate enough to be named Editor, and although the title sounds impressive, all it really means is hard work. Lots of it.

Through deadlines and missed dealines, blurry pictures and not enough pictures, bad copy and missing copy, and many frustrating moments, we managed to pull together and create the best yearbook we could and are proud of it.

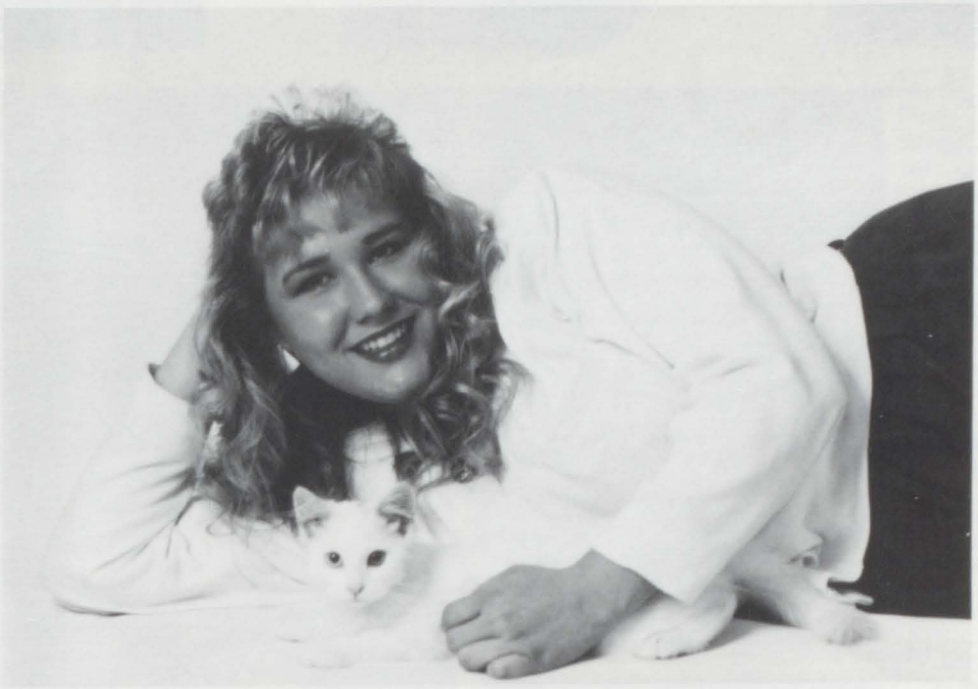

— Sheryl Czerwinski

Responsibility. I can't think of a better word that would describe our yearbook class. Through my involvement for the past two years, I've learned that turning out a good yearbook from several blank pages and a few photos, takes a lot of creativity and hard work. It took the entire staff to pull together in order to finish layouts and meet each deadline on time, (which often meant staying long hours after school).

Unlike other classes, the quality of your work not only reflects on your grade, but on the entire yearbook, itself. If you don't accept your own responsbilities, you let everyone down.

I have enjoyed these past two years as a member of the yearbook staff. No matter how much time and work it has taken, it has been a lot of fun. If I could think of one other word that would describe being in the yearbook, it would be . . . Accomplishment.

— Lisa Langell

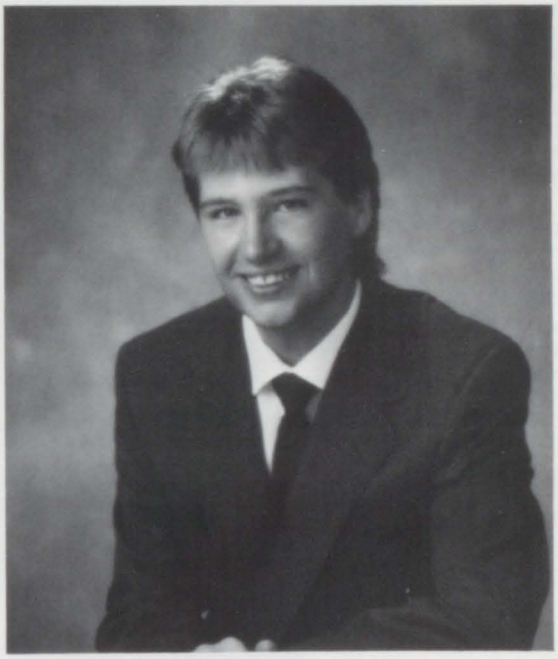

Being on the yearbook staff for the past two years has been a great experience. It was almost like running your own business. At the beginning of the year, we had to work so hard by selling ads — just so we could pay for the initial cost of the yearbook. When funds began to run low again, we worked the concession stands at games, and sold T-shirts.

Once the budget was set, we decided on the theme, cover, and pages. Finding just the right picture for our layouts took hours . . . and then there were captions to worry about. Often, it was almost impossible to create the perfect captions.

Despite the pictures or copy that came up missing, or destroyed, we all worked together to make sure that the deadlines were met.

I really enjoyed being a part of this class, and I will always remember it.

— Joe Fera

TO JENNIFER NELSON:

Jennifer,

We are very proud of your accomplishments. Lots of luck and love with your future.

Dad Mother and Kris

TO JASON RODA:

Part of being a parent is finding the strength to let you go . . . to let you grow from your mistakes and heartaches . . . to let you know that you can make it on your own. But we hope you'll always remember that we love you and that we are still right here for you no matter what you need.

Mom and Dad

TO SHERYL CZERWINSKI:
To our favorite daughter;
Ahead are new challenges, new adventures, and a whole new world. We hope that you take advantage of all the opportunities bestowed upon you. We will love you always. Good luck at CMU!
Love, Mom,
Dad, & Billy,
Sam, Pepper,
& Jacques

CLOSE

1 Anti-communist protests flourished in the Eastern Bloc including Bulgaria where 50,000 people demanded the arrest of former Communist party chief Todor Zhivkov.

2 Hoisting their World Series trophy is outfielder Rickey Henderson, reliever Dennis Eckersly, Series MVP Dave Stewart and third baseman Carney Lansford.

3 Actor-comedian Arsenio Hall made his debut as a late-night talk show host on "The Arsenio Hall Show." Robert DeNiro, left, was among Hall's celebrity guests.

4 "I'm not finished yet," said Mick Jagger when the Rolling Stones embarked on a 36-city $70-million tour, the band's first in 10 years.

5 Paula Abdul, a former Los Angeles Lakers cheerleader, sang and danced her way to four MTV awards for her hit single "Straight Up."

6 Auto designer Mark Jordan unveiled a new classic, the Mazda Miata, which became one of the hottest-selling sports cars in the U.S.

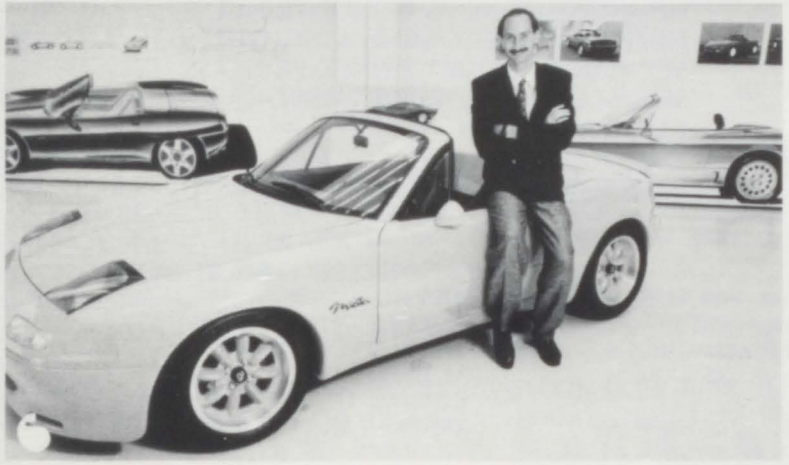

NEWSMAKERS

7 Cincinnati Reds manager Pete Rose was thrown out of the game for the last time after evidence revealed he placed bets on his own team.

8 Televangelist Jim Bakker waves goodbye for 45 years after being found guilty of 24 counts of fraud and conspiracy.

9 Douglas Wilder flashes the victory sign after capturing the Virginia governorship and becoming the first elected black governor in U.S. history.

10 Soviet President Mikhail Gorbachev promised Pope John Paul II the USSR had changed its attitude on religious freedoms during the first-ever meeting between a Kremlin chief and a pontiff.

11 Eleven-million gallons of crude oil swirled on the surface of Alaska's Prince William Sound after the tanker Exxon Valdez ran aground, creating the worst oil spill in U.S. history.

12 Hurricane Hugo ravaged the South Carolina coast in September, leaving $3 billion in property damages in its wake.

The time we have spent here is now in the past,
And graduation day is here at last.
How long ago we thought of this,
But all that we could do was wish.
Some want to leave and some say no,
But either way we have to go
We feel it's the end and for now that's right
Our life ahead will be a fight
We've often sat and wondered why
The thought of leaving will make us cry
The answers that we're looking for
Are just outside our high school doors.
We'll miss our teachers and our class,
And hope our friendships we've made will last.
One day in our future, long after this place,
After we've grown older and made our space,
We'll think of our high school years gone past,
And remember the friendships that we thought would last.
Our final phrase before we fly
We'll say "See ya' later" but we won't say "Goodbye".
